

# VICTORIAN PRICE LIST 2017

## SECURITY INDUSTRY

The CPP20212 Certificate II in Security Operations qualification will provide you with the skills to obtain an entry level position as an unarmed security guard or crowd controller.

To extend your knowledge and skills it is recommended you complete the CPP30411 Certificate III in Security Operations or CPP30607 Certificate III in Investigative Services qualification which will open the door to further well paid opportunities.

Optional Units within the CPP30411 Certificate III in Security Operations qualification will qualify you to work in specialised roles such as Armed Guard, Cash in Transit, Bodyguard, Control Room and Aviation Screening.

To further enhance your knowledge of the Security Industry and understand procedures implemented at a managerial level, the CPP40707 Certificate IV in Security and Risk Management and CPP50611 Diploma of Security and Risk Management are appropriate qualifications.

## SECURITY EQUIPMENT INDUSTRY

The UEE31411 Certificate III in Security Equipment qualification will provide you with practical skills in integrated system installation, maintenance and modification, and competency requirements to obtain an ACMA Open Cabling Registration along with Structured Cabling, Fibre Optic and Coaxial cabling endorsements.
